

# Steps to access your member account

1. Navigate to our [Member Resource Center login](#) page. Once there, click “register now” and then fill in the required personal information.

2. You'll need your member ID card for this step, so make sure to have it handy. Please enter your entire ID number beginning with the letter “V.” Make sure to **add** your **member number** at the end. In this example, the ID you would enter is V8012345670002.

3. Make sure to complete the required login information and then click “complete.” Please verify your username is displayed correctly and then click “next”. At this point your registration is complete and you will be redirected to the sign-in page.
